Funeral Luncheon Information

As part of our parish outreach, we offer to serve a luncheon following the Mass of Christian Burial, Memorial Mass or burial service for family members and friends of the deceased.

Our Family Life Center Meeting Room seats 75 people. Larger groups may need to use either the Parish Center or the gymnasium. All spaces are handicapped accessible. The funeral director, when contacting the parish about the funeral services, will also need to check space availability for the luncheon.

If a family decides to hold their luncheon at the parish, someone needs to call the Rectory office at 440-526-1686 with the menu choices and the approximate number of people expected as soon as possible. Menu options are described on the accompanying sheet. No alcoholic beverages are permitted.

A donation of \$9.00 per head is suggested -\$10.00 if two meats are selected. Make check payable to St. Basil Ministry of Consolation.

Our funeral lunch team will greet, set up, and serve. After the luncheon, leftover food may be taken home by the family.

If our menu is not desired, the family:

- may provide its own caterer, using our servers or the caterer's; family must pay caterer directly; room rental is free.
- may also provide their own food; the parish provides set-up and servers.

If one of these latter two options is chosen, please remember that you still need to consult with the parish office first to see if the room is available. In either case, a group from the St. Basil Ministry of Consolation will be there to host the luncheon.

Thank you for allowing us to serve you.
