CATHOLIC
CONFERENCE OF OHIO

Catholic Bishops of Ohio Statement on the Passing of Issue I: Today is a tragic day for women, children, and families in Ohio. We mourn that the dignity of human life remains concealed by the duplicity of a culture of death. Though this is a day of sorrow, we are never without hope. St. Paul

tells us that it is in hope that we were saved and, “if we hope for what we do not see, we wait with endurance.” Asking for God’s protection and mercy, we must look ahead. Despite the obstacles this amendment presents, the Catholic Church in Ohio will continue to work for policies that defend the most vulnerable, strengthen the child-parent relationship, and support women in need. As we pray for the conversion of minds and hearts to the gospel of life, we recommit ourselves to defending children in the womb and supporting women in need. The Catholic Church and faithful will never grow weary in our mission to help women and families flourish through ministries such as Walking with Moms in Need and other local organizations that provide material and spiritual support and through advocacy with policymakers.

We, the Catholic Bishops of Ohio, are grateful to the Catholic faithful, clergy, and all people of goodwill whose actions in this campaign demonstrated our commitment to honoring and upholding the dignity of life. Your sacrifices prove that the Church will never abandon her mission to support human life. We will persevere in this mission until every preborn child is protected, every pregnant woman is supported, and every human life receives respect, dignity, and justice.

Let Us Pray: A Prayer for Life

Father and maker of all, you adorn all creation with splendor and beauty, and fashion human lives in your image and likeness. Awaken in every heart reverence for the work of your hands, and renew among your people a readiness to nurture and sustain your precious gift of life. Grant this through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God forever and ever. **Amen**

Let us pray...God our Father, Graciously accept from your humble people a thankful heart and spirit. Everything we have and are able to share with others ultimately comes from your love of your creations. Often we think that everything we have is

If you need a gluten free host, please go to the sacristy before mass and speak with the sacristan who is setting up for mass. This should be done at least ten minutes before mass starts. At communion time, make sure you are in the line where the priest is distributing communion (center aisle on Mary's side). Inform the priest that you need the gluten free host. I'm In Ministry!
✝

Dear St. Basil Family,

On behalf of the people served by I'm In Ministry - Thank you! It's been two weeks since your Praise & Worship event where Stephanie Baka gave Witness and invited me to say a few words about our Mission and those we serve.

I have prayed for the words to express my gratitude and appreciation. The love from the entire St. Basil Community, I do not believe is coincidence. God has intentionally brought us together so that I may do the Lord's work to the best of my ability.

Through I'm In Ministry, you help make the impossible, possible. I will continue to pray for everyone at St. Basil and the support you give me to serve the people who suffer greatly in our communities.

The kindness, trust, and generosity from the entire St. Basil family knows no bounds. I love you all in every way possible. Thank you from the bottom of my heart.

Your Deacon and Friend,

Lou Primozic

Lessons from Laudate Deum: Apostolic Exhortation to all people of good will on the climate crisis

Our Connection to God's Creatures

Human life is incomprehensible and unsustainable without other creatures. For “as part of the universe.... all creatures are linked by unseen bonds and together form a kind of universal family, a sublime communion which fills us with a sacred, affectionate and humble respect.”

Some effects of the climate crisis are already irreversible, at least for several hundred years, such as the increase in the global temperature of the oceans, their acidification and the decrease of oxygen. Centuries are needed to normalize temperature and salinity, which affects the survival of many species. This is one of the many signs that the other creatures of this world have stopped being our companions along the way and have instead become our victims.

Small changes can cause greater ones, unforeseen and perhaps irreversible, due to factors of inertia. This would end up precipitating a cascade of events having a snowball effect.... It is certain that (a snowball effect) continues to be a possibility...” *Laudate Deum*

Reflection

It is painful to contemplate what the ultimate effects of humanity upon the environment will be but Pope Francis is asking us to allow these possibilities to inform our everyday actions. In what ways do I contribute to harming the creatures of the earth? How can I improve my relationship with God's creatures?

Prayer

All-powerful God, you are present in the whole universe and in the smallest of your creatures. You embrace with your tenderness all that exists. Pour out upon us the power of your love, that we protect life and beauty... Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that we are profoundly united with every creature as we journey towards your infinite light. -Pope Francis

Prayer for Spiritual Communion

You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart.
I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. *Amen*
