Ash Wednesday falls on
February 14, 2024. Masses
will be at 8 am and 7pm.

The blessing and distribution
of ashes at Mass occurs after the homily, using
the ritual texts in the *Roman Missal*.

Ash Wednesday is a day of universal fast and
abstinence in the Church. Since February 14 is
celebrated by many couples as Valentine's Day,
parishioners should be reminded of the norms
governing fasting and abstinence from meat since
no dispensation will be given for this day which
marks the solemn beginning of Lent.

Lent-Fasting And Abstinence

Good Friday is a universal day of
fasting and abstinence from meat.

For members of the Latin Catholic
Church, the norms on fasting are obligatory from
age 18 until age 59. When fasting, a person is
permitted to eat one full meal, as well as two
smaller meals that together equal to a full meal.
The norms concerning abstinence from meat
binding upon members of the Latin Catholic
Church from age 14 onwards. This would mean
that children in Elementary schools are not bound
by the law of fasting despite the fact that we often
encourage them to eat more modestly and to
abstain from treats on such days.

Come home this Lent!

Prayer for Spiritual Communion

You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. *Amen*

Honduras Coin Cups 2024

This year your donations will help with two causes in Honduras; continued access to clean water in 57 villages near San Francisco de la Paz, and address basic needs of ~35 children at an orphanage in Juticalpa. The Coin Cups will be available in the church by the side doors starting Ash Wednesday Feb 14th after the 8:00am and 7:00pm services. Please fill our “Honduras Cups” with your donations and return them Palm Sunday Mar 24th. Thank you.

Between 1999 and 2019 St Basil sent teams of volunteer parishioners three or more times per year to: Install Water Filtration Systems, Dental and Medical Services, Construct Churches, Other Construction Projects such as Latrines and projects at the orphanage. The water purification systems impacted over 10,000 villagers. The mission trips built lasting relationships with the people of San Francisco de la Paz and surrounding villages, and in Juticalpa.

In 2020, upon Father Walt Jenne's retirement, it became evident that the enduring viability of relationships and water systems in the village required attention. Responding to this need, a powerful collaboration emerged through prayer and the Catholic Community, leading to a newfound alliance with the established non-profit Project Eden and Adelante (PE&A) based in New Hampshire. In a generous gesture, PE&A embraced the responsibility, incorporating into their mission the ongoing maintenance and provision of filters for water systems installed in previous years. As part of this partnership, several members from the St. Basil mission team assumed roles on the PE&A board. The transition from 2020 to the present has unfolded seamlessly, ensuring that communities consistently enjoy access to clean water.

At the same time, build meaningful relationships among St. Basil families. If you would like to receive Family Matters contact Amy Kooser at: akooser@basilthegreat.org

Lessons from Laudate Deum: ***Apostolic Exhortation to all people of good will on the climate crisis***

Creating a new culture

“...every little bit helps, and avoiding an increase of a tenth of a degree in the global temperature would already suffice to alleviate some suffering for many people. Yet what is important is something less quantitative: the need to recognize that there are no lasting changes without cultural changes, without a maturing of lifestyles and convictions within societies, and there are no cultural changes without personal changes.

If we consider that emissions per individual in the United States are about two times greater than those of individuals living in China, and about seven times greater than the average of the poorest countries, we can state that a broad change in the irresponsible lifestyle connected with the Western model would have a significant long-term impact. As a result, along with indispensable political decisions, we would be making progress along the way to genuine care of one another.” *Laudate Deum*

Reflection

We sometimes forget that our actions speak louder than words. When people see us bring our own bags to stores, bring to-go containers to restaurants, mulch with leaves covered over with a light coating of shredded tree much, use handkerchiefs instead of tissue, or cover a plate of cookies with a washable shower cap instead of plastic wrap, we send the message that care of the earth is important to us just as much as when we install solar panels or purchase an electric car.

Little changes matter. How do you help to change the culture surrounding creation care? What more is God calling you to do?

Prayer

Holy Spirit, by your light you guide this world towards the Father's love and accompany creation as it groans in travail. You also dwell in our hearts and you inspire us to do what is good. Praise be to you! *Pope Francis*
