Design Father's Vestments!

As the priest gets ready for Mass, he puts on special clothes called vestments. Each vestment has a special purpose and meaning. The beauty of vestments help us to remember the importance of the Mass we are celebrating. The color of the vestments depend on the Liturgical Season or feast of the day. For example, they wear green during Ordinary time, purple during Advent and Lent, red for the Feast Days of martyrs, and white during celebration times such as weddings, Christmas, and Easter.

We want you to design a new set of vestments for Father! Be sure to give him a name, and design something beautiful for him to wear! You can add more to the background to show what Father is celebrating at Mass. Be creative! Submissions will be displayed during the Beauty Weekend February 22-23, 2025.

Winners will be chosen and invited to Pizza with the Priests (in the Parish Center, all children accompanied by parents). All submissions are due to the PSR or Parish Office by Wednesday February 19, 2025.
